HoCare PARTNERS MET IN VILNIUS

Partners from **Cyprus, Slovenia, Bulgaria, Romania, Lithuania, Hungary, Portugal and Czech Republic** have met on the last project meeting within the first phase of HoCare project (“Delivery of Innovative solutions for Home Care by strengthening quadruple-helix cooperation in regional innovation chains”). The meeting took place in **Vilnius, Lithuania** on 22 and 23 March 2018 and was hosted by **Lithuanian Innovation Center**. [Read more](#)

ELABORATING HoCare ACTIONS PLANS ON HOME CARE

In HoCare project partners cooperate with a goal to **elaborate policy recommendations** for generation of innovative solutions and services in the field of **home care**. Before the second phase of the project partners are developing **Action plans** for each participating country/region. It is a document providing details on **how the lessons learnt from the cooperation will be exploited in order to improve the policy instrument** tackled within particular country/region. It specifies the nature of the actions to be implemented, their timeframe, the players involved, the costs and funding sources. Action plans will soon be published at HoCare web site Library.

HoCare THEMATIC POLICY TRANSFER REPORTS

Three joint thematic policy transfer reports were produced within HoCare project summarizing experts' panel comments and work group based on Regional Situation Analysis in home care and quadruple-helix cooperation in partner's regions in Cyprus, Slovenia, Bulgaria, Lithuania, Hungary, Portugal, Czech Republic and Romania. The reports focus on 3 sub-objectives of HoCare project: **addressing unmet needs identified by formal and informal healthcare providers**, on **public driven innovation** and **faster delivery of innovations via quadruple-helix cooperation**. All 3 thematic policy transfer reports are available at HoCare website: <https://www.interregeurope.eu/hocare/library/>

NATIONAL POLICY LEARNING EVENTS

HoCare partners are organizing **National Policy Learning Events** aimed to tackle all communication objectives at national level, including **raising awareness** and **changing mind-set of relevant stakeholders** outside the partnership. Additional objective is to disseminate knowledge to other relevant policy actors beyond their core stakeholder groups at national level. National Policy Learning Events were already organized in **Hungary, Madeira** and **Lithuania**. [Read more](#)

HoCare COOPERATES WITH HELIUM PROJECT

My Interreg Europe **100%** Logout Search

HoCare project established a cooperation with Interreg Europe **HELIUM project** – »Health Innovation Experimental Landscape through Policy Improvement«. **National Healthcare Service Centre** from Budapest is a partner in both projects with an approach to share experiences between projects and to establish synergies. More information about HELIUM project: <https://www.interregeurope.eu/helium/>
